

Madras Club

BACK TO swim camp **JUN-AUG KIDS' SWIM COACHING!**

Some of you are still in vacation mode while others are back to school. Regardless, Chennai remains hot as ever and swimming offers a welcome respite from the weather. We're continuing with term-based signups for the swim camp. Come hone your technique across all your swimming strokes and gear up to improve your timings!

The focus will continue to be on technique and stamina building, mixed with a healthy dose of fun. Coaches will slot you in the appropriate batch basis your skill level. The camp is not for beginners.

Coach Ramesh Jayaraman will lead the camp. With Level 1 and 2 certifications from the American Swimming Coaches Association (ASCA), he is an experienced coach in many locations and leads the 'Marina Swim Team'. In addition to an erstwhile swimming career for 25 years, he holds a B.Sc Computer Science degree from Loyola College and an MBA from Madras University.
