**LIGHTS, CAMERA, ACTION!
KIDS' SWIM CAMP FEB-APR
PSSST... CLUB SWIM MEET COMING UP**

There is lots to look forward to in the swim camp this term. As the weather starts warming up, the kids can get back to their training in earnest. Very soon, we will also have them participate in the intra club swim meet which will be better than last year, we bet. The kids have come a long way since then.

The best way to focus on your technique, build stamina and improve your timings is to join the swim camp. The coaches will slot you in the appropriate batch based on your skill level. The camp is not for beginners though.

Ramesh Jayaraman, the head coach leading the camp is a computer science graduate from Loyola with Level 1 & 2 certifications from the American Swimming Coaches Association (ASCA) and a swimming career lasting more than 25 years. He also leads the 'Marina Swim Team' and will fine tune your skills for sure.

**RAJKUMAR MANRADIYAR
